### DG Ron's Ramblings

The year is rolling along almost faster than I can keep up. I attended St. Albert Breakfast Club's 47<sup>th</sup> Charter, the Thorsby Lions Maritime Night, and have visited the Grande Centre Lions, Wabasca Lions, and Athabasca Lions who presented the Young Entrepreneur Award at a Chamber of Commerce Gala. This award was created to honour PDG Gordon Topps. What a way to remember an outstanding Lion.

I am off to Calgary to attend the C-2 Convention Oct. 21 and will be visiting HI 5 and Fort Saskatchewan Lions Oct 25 & Oct. 26. Nov. 1 will see me in Radway to visit and

induct some new members, and of course Nov. 3-6, I will be in Vegreville for Council, Convention, and Cabinet meetings. Nov. 10, I will be in Bruderheim for a joint visit with Andrew, Lamont, Chipman, Bruderheim Lions and Lioness. It is a real pleasure to visit with all these hard working Lions and to see and hear of the benefits given to their communities.

I look forward to seeing you at the Convention and would remind you of the upcoming Regional Lions Leadership Institute, as well as Diabetes awareness day.

Until next time Lions continue to do what we do best, SERVE

## DOING THE LIONS SHARE

The Spruce View & District Lions Club wishes to express Heartfelt Appreciation to Spruce View School, and Lions of Alberta Foundation Program- Lions Legacy Scholarship- W.W. Weber PID, Scholarship Coordinator.

This valuable partnership brought recognition to Hannah Hendrickson and Jayden Koster of Spruce View who have demonstrated outstanding youth leadership, set their sights on pursuing higher education and have ultimately contributed substantially to making our world a better place in which to live.

On June 25, 2016 during the Spruce View School Convocation, Lion Lois Burkinshaw presented to both Hannah and Jayden, Graduation Scholarship cheques in the amount of \$500. Having qualified at the local Lions Club level, these service minded individuals were eligible to apply to Lions Legacy Scholarship – A Lions of Alberta Foundation Program which commits to matching local Club Scholarship Contributions, to a maximum of \$500.

encouraging students to recognize their personal worth, pursue and receive the recognition they truly deserve for their hard work and determination.

Hannah and Jayden applied for and became the proud recipients of an additional \$500 from the Lions Legacy Scholarship Program. Lion Phil Burkinshaw, President of The Spruce View & District Lions Club presented Hannah and Jayden with their Lions Share on October 10, 2016.

We are proud to know you, Hannah and Jayden and wish you all the best throughout your life journey. We are confident that you will find success and are pleased that we may have contributed in small part by assisting you on your way. We hope that both of you will continue to touch the lives of others by sharing your success and caring spirits.

## Pictures and Submissions

We are more than pleased to promote your events and activities in the Lions Roar - we want to showcase what you are doing.

Here are some suggestions:

- The best pictures show people doing things; the worst pictures show people standing around at presentation of awards and donations, although we will use them when they are significant.
- Modern cameras and cell phones are capable of taking excellent pictures - focus is rarely a problem, but camera motion is, particularly with indoor and low light images. The worst stance is the familiar one where the camera is held at arms length, or with elbows extend-

ed - it is very difficult to hold the camera still. Consider placing the camera on a solid surface, or resting at least one arm on or against a solid surface. Note that when everything in a picture is out of focus or blurry, it is almost always caused by camera motion. Also, more light is always better - it makes for faster shutter speeds.

- Learn to analyze what you see in the preview - compose the image, and be patient.
- Pictures should always be accompanied with the names of the people in the image, and context - a description of what is happening where and when and why.
- Small images with file sizes under

200k reproduce poorly and cannot be adjusted very well. Anything above 400k will be fine. Note that when you "email" a picture, it generally is reduced in size to make it easier to send, but prints poorly. Instead, attach the original to your email.

- Written submissions can be in almost any format, but do not embed pictures in Word documents - send them separately - it is easier to format items that way.
- When submitting PDFs, try to use space effectively - extraneous white space is hard to get rid of. If PDFs are a challenge, just submit a Word document (images and clipart separately), and I will put it together for you.

- Hank
