District Governor Bob Says:

Two months have gone by in this the 97th year of Lions Clubs International. Time does fly when you are having fun.

We held our first Cabinet meeting of the year on August 9th. It was hosted by the Impact Drum and Bugle Corps. They gave us a small rendering of the music they play and also provided us with an excellent lunch. It was recently announced that the band will be the official band of the Edmonton Eskimos and will play at all home games. The Lions of District 37L are closely tied with this fine upstanding group of young musicians. Our own Lion David Coates is a Director of their organization. If you know of any teenagers that have an interest in performing in this type of atmosphere please contact the Impact Performing Arts Association at 780-246-7228 or visit the website at www.impactarts.ca

International President Joe Preston's theme is "Strengthen the Pride" One of his goals is **Strengthen the Pride by Strengthening Your Club**. Make sure your club is on track for success and growing to meet the needs of your community. This can be done by having your club take part in

the [Club Excellence Process](#) (CEP) – Get your club performing at its highest level through an interactive CEP workshop

The Club Excellence Process (CEP) is a fun, interactive process that brings members together to look at what your club is today and what it will be tomorrow. It gives you the tools to strengthen your service, improve club effectiveness and enhance your membership experience. CEP is the perfect resource for any club that wants to achieve excellence! To learn more, read the [CEP Overview](#).

We've made it even easier for your club to participate by offering **two versions of CEP** to choose from, **CEP Pro and CEP Lite**:

Have a trained Lion facilitator come in and guide members through the workshop

Have a member of your club lead the workshop.

I will be starting my visitations in September with the first area to be covered is the Grande Prairie District.

Now on a sad note. We have lost another club. The Chetwynd Lions Club has folded after 40 years of great service to their community. It is sad to see a club that was as active as them leave the pride.

More sad news. We have lost 3 very dear Lions this month. PCC Gordie Topps of the Athabasca Lions Club, Lion Jef Gibbs President of the Beaumont and District Lions Club and Lion Rob Coulter, son of Lynne and Donna Coulter of the Grand Prairie Lions Club. On behalf of the District Cabinet we extend our deepest sympathies to the families of these fine members.

LION DR. PATTI HILL FOR 2ND INTERNATIONAL VICE PRESIDENT

LIONS of MD 37 the time is NOW, we have been waiting for the right time to launch the campaign to elect Patti Hill as 2nd Vice President of our International Association. The MD 37 Friendship Committee has established a Campaign Committee and all of these Lion leaders have concluded that Now is the time to move forward with the campaign.

We have much to do: Patti must be endorsed at the district and multiple district level; we must make it known to our International leaders that Patti and MD37 are moving forward; we must create opportunities for Patti to participate in global affairs; It is time to let the Lions of the world know that we have a strong candidate

and that our candidate comes from a strong multiple district. We want our International leaders to recognize, as we do, the remarkable leadership Lion Patti brings to our service ideals both locally and globally.

All of this activity will bring greater attention, not only to Patti, but to our multiple district and how we participate in our Global programs. We talk a great deal about our Global Leadership Team and our Global Membership Team - NOW is the time to take advantage of these programs and make MD 37 a global leader. Our International Membership Team calls on each of us to ASK 1 – let's show them that MD 37 is capable of even greater success – let's double the goal and ask two.

We can make a difference, our success will help elect Lion Dr. Patti Hill as 2nd International Vice President, Just ASK 2!

Impact Drum and Bugle Corps needs volunteers to work bingos on a casual, as needed basis. Lion John Cragg would really, really like to hear from some of you: jcragg@telusplanet.net, 7804351948.

The Importance of Lions Leadership

Leadership Locally - At the grassroots level, each of us knows how important leadership is in our clubs. Without leaders willing to spearhead a committee or fundraiser, or file reports and pay our bills, each of our clubs would fall into disarray. We have the opportunity to help support our emerging and future leaders by sending Lions to either our

- **Emerging Lions Leadership Institute** in Oak Brook (Oct. 4-6 and yes LCI is still accepting applications <http://www.lionsclubs.org/EN/common/pdfs/elli-oakbrook.pdf>), or

- **MD 37 Regional Lions Leadership Institute** in April 2015 (email MD GLT Coordinator Christine Lank at lionchristine.mjf@gmail.com)

Leadership Globally – MD 37 has a proud heritage of holding

ourselves to a high standard, of going above and beyond to ensure that we serve our communities and those in need globally with integrity and accountability. That perspective, that MD 37 point of view, is valued by our International Association. Lion Greg and I believe that now is the time to offer our MD 37 perspective, and our personal Lions' service not only to our club, our district, and our MD, but also to our International Executive.

I have always been proud to be a Lions Ambassador from MD 37, and, if endorsed as a future candidate for 2nd VP, would be proud to be your representative again.

- **Lion Patti Hill**

Show and Tell Session at Convention

This is an opportunity for clubs in the district to show case their community-revered projects. Each participating club will have 5 minutes to tell their story. This will be an opportunity for the Lions to showcase to prospective members the good work that we do in our community. The selection will be done on a first come first served basis as we probably have about 15-20 minutes for this. That means 4 clubs. Clubs that are interested can contact Bpb Hiew bhiew@telus.net

45 gallon can Tab donation largest in 65 years

Zane Dorosh said they have been collecting can tabs for five years. Friends, family, anyone who got word they were collecting would bring him can tabs in all shapes and sizes and all sorts of containers, even zip lock bags. On Sunday afternoon Dorosh donated the 45 gallon drum full of tabs, on behalf of everyone who donated the tabs, to Morinville Lions Club President Francis Fryters. A wheeled cart and ramp was required to have the drum moved, loaded on a truck and delivered to a temporary Lion storage area.

Fryters said he "believes this is the largest single donation in the 65 year existence of the Club. A huge thank you to Dorosh, his family and friends for their generous donation for the Lions Club Can Tab Wheel Chair Project."

These tabs plus other items made of aluminum are accumulated by some Lions Club, including Morinville and sent to Devon Lions Club and sold in bulk. The funds received are placed in a wheel chair account to be used to purchase a wheel chair, manual or power, for needy individuals nominated by one of the participating Lions Clubs.

Any of the Lions Clubs, like Morinville, who have turned in can tabs, becomes eligible to receive funding from this account to go towards the purchase of a wheel chair in their community.

The wheel chair is provided on a permanent loan to the individual in need, with a signed agreement and Lions Club retaining ownership and providing inspections and maintenance.

Once the individual no longer

requires the wheel chair it is returned to the Club and available for others in need.

Fryters said, "Four hundred and fifty pull-tabs equals one pound and the pure aluminum on the tab makes them easy to recycle, and their size allows for thousands to be collected without taking up much room. People from across the province pass along bags and boxes of collected pull-tabs and they eventually make their way to organizations who recycle them and the money is used to purchase a wheelchair."

It is not sure how many tabs are in the 45 gallon drum, some pull tab measurement equivalents on file indicate

1 inch = 1 pull tab
1 foot = 12 pull tabs
1 meter = 40 pull tabs
1 lb. = 1,267 pull tabs
1 km = 40,000 pull tabs and
1 mile = 63,360 pull tabs.

Member Recruiting Idea: In Appreciation of STARS

So, look at all those Farmers Markets in our District. What are Lions in those areas doing at the Farmers Markets? What, you don't have a space with your club banner up and photos of what you do in the community? You're not handing out pamphlets about what you do in the community? (For those communities that don't have a Lions Club the question would be 'what you could do in the community if they had a Lions Club') This is one way you can let the community know that they have a vested interest in what Lions do for them and that they can help by becoming a member.

Of all the meetings and events I have been at over the past few years discussing the issue of membership; there has been one common statement from all of them. "YOU NEED TO ASK PEOPLE FACE TO FACE"! All of the advertising via the paper and flyers we did had no effect at all. We need face to face conversations with people and we need to show them what we do in the community.

Please consider setting up a booth in your local or neighbouring farmers market and spread the word "Lions Clubs are not a secret anymore"

-Lion Wanda Coates

My name is Randy Mrochuk and I am pleased to tell you that I am a recent graduate of the Shock Trauma Air Rescue Society's (STARS) Critical Care Transport Medicine Academy (CCTMA). I would like to take this opportunity to share with you my extraordinary learning experience during the four month long CCTMA at STARS Edmonton base and make you aware of how it has enhanced me as a learner, practitioner and continuing education enthusiast.

The CCTMA is an intensive and rigorous academic challenge coupled with expert medical tutelage in didactic and Human Patient Simulation (HPS) education. The Academy takes you on a journey from one's present mode of clinical practice, be it as a registered nurse, paramedic or physician, to that of a critical care practitioner. This is achieved through rigorous education in up to date best practice methodology involving the assessment and treatment of the sick and injured. Seasoned critical care physicians, paramedics and nurses augment this education with the delivery and instruction of critical care skill sets.

The STARS Academy takes a practitioner from his/her level of care and transforms them to a level of critical care 'thinker', which broadens the depth and breadth of their patient assessment and treatment modalities. I now have a higher clinical acuity for assessing and treating the sick and

injured patient. Since completing the Academy I have a redefined and thoughtful approach to patient care and management. Instead of approaching patient assessment and care through a rote algorithmic or guideline approach, I can now assess the patient's acuity with a heightened and deeper understanding of patient hemodynamics, current best practice evaluative processes and up to date treatment modalities. I am extremely grateful for what the STARS Academy has given me.

I am also very flattered to have been the first recipient of the Dr. Greg Powell Lions Fellowship Bursary, founded by the Lions Club of Alberta honoring Dr. Greg Powell's commitment to learning. I am delighted to be able to put these funds to use for my continuing education. I shall be putting the Bursary towards a course in my ongoing General Studies with Athabasca University in Psychology, with a special interest in Post Traumatic Stress Disorder (PTSD). As well I will contribute some of the Bursary to achieving an Instructor ranking in one of our Paramedic core content requirements; Pediatric Advanced Life Support.

It was truly an amazing experience to receive the Dr. Greg Powell Lions Fellowship Bursary for commitment to learning. The Lions of Alberta are truly a marvelous entity dedicating itself to such a worthwhile endeavor and honoring such a dedicated individual to learning, Dr. Greg Powell.

Thank you so much.

27th Annual Lions International Peace Poster Contest

Peace, Love and Understanding

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

How the Contest Works

Only a Lions club can sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2014. Participating students are asked to create posters visually depicting the contest theme, "Peace, Love and Understanding."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

Awards

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to an award ceremony where he/she will receive a cash award of US\$5,000 (or local equivalent) and an engraved plaque. Two family members (one being the winner's parent or legal guardian) and the sponsoring Lions club president or a club member (as designated by the club president) will accompany the winner to the award ceremony.
- **23 Merit Award Winners** each receive a cash award of US\$500 (or local equivalent) and a certificate of achievement.
