GOLDEN RULES

(From a series of articles prepared for Calgary Northeast Eye Openers Lions Club)

Your Committee members were pondering the world situation the other day, and we have come to the conclusion that many of the armed conflicts that we have seen in the past, and those that we continue to witness every day, stem from the misguided notion that one religion is better than another. And the zealots in those religions misinterpret the principles of their philosophy and thereby pervert the beauty and truths that we find in each one.

The Golden Rules are universal. There really is one fundamental truth for us all.

The Hindus say *the true rule is to guard and do by the things of others as you do by your own.*

The Buddhists think *one should seek for others the happiness one desires for oneself.*

The Jews teach *whatsoever you do not wish your neighbour to do to you, do not unto him.*

Muslims instruct *let none of you treat your brother in a way he himself would dislike to be treated.*

Christians admonish *all things whatsoever ye would that men should do to you, do ye even so to them.*

It all translates into: *do unto others as you would have others do unto you.*

Past International President Bill Biggs has often stated: "Lionism is often the practice of a person's religion". How true that is! And that is one of the main reasons that we have Lions Clubs in virtually every nation on earth. Lionism is able to be practiced

St. Albert Lions Clubs 22nd Annual Beer & Beans Bash

The two St. Albert Lions Clubs are hosting the 22nd Annual Lions Beer & Beans Bash on April 27th, 2013 at the St. Albert Community Centre- a silent auction, chili dinner and dancing to add to your enjoyment. Chili is being provided by Tim Hortons and dancing is to the Moonlight Breeze band. Local celebrity Mayor Nolan Crouse will be acting as the MC and Auctioneer for a live auction. After expenses the funds generated will be split between The Lions Park, St. Albert Victim Services and High School Service Awards in St. Albert.

in any nation, regardless of religious faith.

As Socrates said: "I am not a Greek or an Athenian. I am a citizen of the world."

All Lions – including all members of our Club – are citizens of the world, and the world will surely outlive us all. Only our actions will leave any lasting impression, as will, of course, the way we treated those around us while we were here.

Some of the religions mentioned earlier teach that we will be judged and graded on the way we treated those around us – both within and outside of our Club – when our time on earth is over.

We are happy to state that our observations are such that all Calgary Northeast Eyeopener Lions will surely pass that test.
