We'll see you at the Convention in Westlock...

Team work is a fact of life for a small town Lion's Club. No one can go it alone, and that fact was driven home at the United Way's fire truck pull in Tumbler Ridge. The power of team work was in evidence when the Lion's Club joined with supporters of Success by Six to pull a 30,000 pound fire truck 50 feet. The fire department was raising funds for the local United Way campaign in support of local programs. Congratulations to a 'strong' Lions team!

DG Joan's Notes

t has been a busy month with visitations and attending District S, N, and I conventions.

It is hard to believe our own convention will be here in very short order. Lion Henry Romanchuk and the Vimy Lions have worked hard and I am sure we will have a fantastic convention. We hope to see you in Westlock on November 1 & 2. Please vote wisely as you cast your ballots for the resolutions and 1st & 2nd Vice Governors as well as the redistricting ballot.

PDG Donna Wozney, PDG Wanda Coates and PDG Tom Hodgson are working hard on forming a new club in Edmonton. We thank them for their efforts and wish them success.

I would like to thank 1st Vice Governor Bob Hunter and 2nd Vice Governor Hank Hoeksta for helping with visitations.

Our membership has slipped a bit this past month so hopefully we can catch up when all clubs report with October being membership month. All we have to do is "ASK"

Athabasca's New Playground.

How to encourage active children of all ages and enhance the riverfront in Athabasca? Lions Club of Athabasca thought children's playground would continue with the family theme already created by two other play areas. A considerable amount of discussion with the community ensued, but the final plan was certainly worth the effort. On July D 1 the Athabasca Lions club hosted 🗟 a free pancake breakfast for the 5 community. People lined up early 5 and stayed late, as all enjoyed the \(\frac{\psi}{2} \) time.

Right after the breakfast the Lions and various local dignitaries assembled at the riverfront park \ge for the grand opening of the Lions Children's Heritage Playground. At noon the ribbon was cut and the children were already enjoying the s new playground. Like most large projects this was the culmination of 5 a tremendous amount of planning $\overline{\xi}$ How do you like the playground I and fund raising for about 3 years. 🖆 asked? Young James said, "I really Now the kids are all over the new olike it." David said "No I don't like it," toys twirling, climbing, balancing and enjoying the new playground. It was an amazing moment.

Councillor (and Lion) Larry Armfelt, Hon. Jeff Johnson, Past President David Maguire, Councillor Lionel Cherniwchan, President Gord Topp and Liam Maguire-Neaves in the swing.

Later I talked and listened with some of the kids in the playground. One Dad had both his young sons at the playground.

I LOVE it."

This is a project that was built with a

lot of community input. The Town of Athabasca was enthusiastic about the playground. Many local business helped with site preparation, and others donated money. In the end the playground has been a tremendous success in getting children to be active.
