PDG Ian and Sharon Sinclair Celebrate 50th Wedding Anniversary

On May 9th, friends and family of PDG Ian and Sharon Sinclair gathered at the Devon Lions Campground to help this fine couple celebrate 50 years of marriage. They were joined at the special event by their Matron of Honour and Best Man, and several generations of family members. Many members of the Lions Family also came to celebrate with the crowd of friends and neighbours from Devon, and other communities in which Sharon and Ian have resided in the past 50 years.

Ian Sinclair served as a District Governor in 1977-1978 and has remained an active Lion ever since.

We wish Ian and Sharon health and happiness for many years to come.

The Devon Lions Club delighted Devon's local youth group, the Local Youth Experience when they donated \$4500.00 toward the purchase of much needed sound equipment. Lions President Tony Holman said the Lions were thrilled to donate the equipment to an important local youth organization, something the Lions Club does on a regular basis.

Winners:

Having the opportunity to tour the Dog Guide Facility at Oakville was an awesome experience. We witnessed firsthand, how our support and donation dollars are put to use in caring & training the dogs for their individual owners. We talked with some of the dog owners - they were all so grateful to have a dog to help them with their disabilities and when they found out we were with a Lions Club, they thanked us for our support - it was very heart warming. We would encourage all Lions Clubs to enter in raffles that provide an opportunity to see the Dog Guide Facility or simply to take a trip to Oakville with your Lions Club members. It's a trip we will always remember!

Club Reporting

Our ability as a District, a Multiple District, and Lions Clubs International to serve your Clubs hinges on our ability to find and contact you.

To be successful, we want to provide services, training, and information, and we want to let the world know our accomplishments. This is only possible if you keep your Club and member information up to date. So, whether your Club executive has changed or not, or if your meeting times and dates have

changed, or if you have performed service and other activities, update your information at LCI.

We will be a new District, and I would like to get us going with a strong start.

The item below promotes club officer training that will help you. Please consider enrolling in one or more of these Webinars!
